**BLUENOSE II IN PUGWASH** — The Bluenose II, a replica of the famous fishing-racing schooner of the 1930s, will be in Pugwash Harbor July 9-10, where she will be open to tours by members of the public at no charge. But because of the ship's sailing schedule and Pugwash Harbor's high-water times, fanciers of Nova Scotia's sailing ambassador will not have an opportunity to go for a sail.
